"I couldn't believe that Fred and George would ever work together again...we should have done this years ago"

"Great to learn how much I could do to keep myself from blowing up—I wish I'd known this 30 years ago."

"I never really thought about how I talked to people before"

"It was very helpful talking to you yesterday morning. It released something in my head. I know not what exactly."

Local Authority

Good introduction and clarity. Kept meeting focussed. Avoided drift, Refined keypoints, clarified.

Mediator was very supportive and conducted the session in a very professional manner.

Support Professionals

A well run process. Thank you.

It was all very useful, particularly the opportunity to speak with Nancy beforehand

It was a very useful meeting with excellent outcome for young person

Excellent to be a part of a successful mediation process

Parent

Thank you so much for yesterday. I thought you were amazing through the whole process from the beginning to the end. Not just with the mediation but through the whole process and reassuring myself and my son. I couldn't have asked for a more understanding and caring person. I would have no hesitation in recommending yourself to anyone in a similar situation.

Prison Officer

"Overall the coaching sessions have made me feel more confident in the job that I do, and I feel that my coach was very supportive and encouraging in improving my confidence. I am extremely happy with the outcome of my coaching sessions and would recommend it to anyone who needs support."

Artist & Designer

I really liked being able to email you when things went really well...or not. The discipline of this was constructive for me.

N K, Uncomfortable Work Situation

The coaching got me thinking differently about how to approach my work situation. I was able to develop a way out of the company with my dignity and relationships intact.

Linda Lewis, Decorelle

"kept me on track,while at the same time helping me look at options I had not considered."
