

Relationships matter.

**Don't destroy what you
can untangle**

Tangled up in a conflict?

Disagreements tying you in knots?

Feeling trapped and resentful?

Not communicating?

Feeling sick about someone?

I can help you untangle things.

Act now before it gets worse.

It's easy and affordable—see
inside for simple solutions.

Business solutions and training also available.

Client prices valid until January 2021

Conflict First Aid £120

In the heat of a disagreement, important things get lost, damage is done & relationships suffer. Two online or phone sessions, focussed on a specific issue, help you identify

what you really want, find options and choose the best way forward. You will learn techniques for staying calm and on track. Includes e-book and email support.

Conflict Skills £175

Want to improve your skills in handling disagreements? Three sessions (online or phone) help you manage emotions, stand your ground and improve outcomes. Includes e-book & email support.

Mediations from £400

Each mediation is different. After the first complimentary call, I will send you a range of options for resolving things quickly & effectively. ***Customised services are also available, including face to face and visits to your premises. Phone me on 07980 920 078 for a confidential, complimentary discussion.***

DIY Stuck in the Middle £80

Are you stuck in the middle, want to help, and don't know how? You need a neutral expert to listen and talk things through. This session helps

you identify the issues, explore options and work out what's best. Email support . Complimentary copy of my book, *Conflict First Aid* (worth £26) full of exercises & examples.

Long Distance

Reconnect & Resolve £400

It can be hard to talk about wills, looking after elderly parents or death, especially at a distance. I provide a

safe, compassionate place to start reconnecting through a secure online video platform. A total of four individual sessions and a joint session. Email support, e-books & exercises.

Mediation & coaching are in no way to be construed as financial or legal advice, psychological counselling or any type of therapy. The client enters into the mediation/coaching with the full understanding that the client is responsible for creating his or her own results.

Not sure what would help? I know trusted specialists I can recommend if my services aren't what you need.
